OVERVIEW

The Police Civilian Oversight Authority conducted an inspection of the JCF St. Elizabeth Division between June 15-17, 2026.

The Siloah Station was not operational at the time of the inspection due to ongoing renovation work. As a result, inspections were conducted at ten stations: Balaclava, Black River, Junction, Lacovia, Maggoty, Malvern, Nain, New Market, Pedro Plains and Santa Cruz.

Station Records Examined

Station Diary – Records all activities at the station such as staff deployment, reports and should be cross-referenced with other records at the station.

Firearm Register – Records the movement of firearms and ammunition issued and returned.

Customer Service Reference Form (CR10) – keeps a record of all reports from the public.

General Property Book – Records particulars of all properties coming into police custody such as lost and abandoned property, which are not connected with any offences.

Sudden Death Register – Records all deaths reported.
